

**KOLACHE  
FACTORY®**  
*a history of good taste.*

## A NEW TWIST ON AN OLD WORLD FAVORITE.

For centuries, Eastern Europeans have enjoyed the bakery fresh goodness of kolaches, a yeasty and slightly sweet dough filled with the finest ingredients, from meats to cheeses and fruits.

Like our ancestors, we at Kolache Factory make

our dough daily from scratch with our

time-tested recipe and we use the freshest

ingredients to make our traditional (fruit and

cream cheese kolaches) and not-so-traditional

fillings (Pepperoni & Mushroom or Bacon Egg

and Cheese kolaches). We have over 25 different

kolaches to choose from and they are all

delicious, portable and perfect for

breakfast, lunch or anytime meal.
