

**KOLACHE  
FACTORY®**  
*a history of good taste.*

## A NEW TWIST ON AN OLD WORLD FAVORITE.

For centuries, Eastern Europeans have enjoyed the bakery fresh goodness of kolaches, a yeasty and slightly sweet dough filled with the finest ingredients, from meats to cheeses and fruits.

Like our ancestors, we at Kolache Factory make our dough daily from scratch with our time-tested recipe. And we use the freshest ingredients to make our traditional (fruit and cream cheese kolaches) and not-so-traditional fillings (Pepperoni & Mushroom or Bacon Egg and Cheese kolaches). We have over 25 different kolaches to choose from and they are all delicious, portable and perfect for breakfast, lunch or anytime meal.

BAKED FRESH DAILY.
